

Application form for UPSURGE Competency Groups

As a person with your competencies, which area do you identify with the most?

- Academia/Education (e.g. University, NBS projects or networks, primary/secondary education,...)
- Business/economic system (e.g. Green entrepreneurs, utilities, investors, architects, creative industries,...)
- Governance/policy system (e.g. regional policy makers, environment agencies, national authorities, city authorities, regulatory bodies,...)
- Civil Society/public (e.g. communities, media, artists, general public, NGOs,...)

Please rate the competences of the UPSURGE criteria you can contribute to with your expertise:

	Low contribution	Medium contribution	High contribution
Eco-sensitisation			
Social benefits of NBS			
Gender-based NBS			
NBS economic opportunities			
Enabling NBS-supporting political capital			

Please briefly explain/justify the selection of the competences you have ticked and how you can add value to the Competency Group. (max. 500 words)

Tell us a little bit about yourself. What is your connection to the demo city? What is your motivation to join the group? (max. 500 words)

Do you have anything else to say? (optional question, max. 500 words)

Please provide us your contact details, so that we can contact you.

Privacy policy – Call for Application

As part of the application process, personal data such as your name, email address and telephone number will be collected. All data will be collected for the sole purpose of contacting you for the preparation and implementation of Competence Groups in all demo cities within the EU-funded project "H2020: UPSURGE City-centred Approach to Catalyze Nature-Based Solutions through EU Regenerative Urban Lighthouse" in accordance with the requirements of the General Data Protection Regulation (GDPR). They will be stored as long as necessary for the purpose.

The recipient of the personal data is the city administration you selected for the application form (Belfast, Breda, BP18 Budapest, Katowice, Maribor). You can find the respective privacy policy and contact details of the Data Protection Officer/Supervisor via the website of the particular city.

You can withdraw this consent at any time with effect for the future by contacting the responsible Data Protection Officer/Supervisor of the city.
